General Instructions: This sheet is to advise you of the courses offered to 7th grade students. Please return the completed signed form to the homeroom teacher by February 5, 2010.

Courses for Grade 7

- Bible - I Samuel - Malachi
- English
- Life Science
- Math\*
- Social Studies - Geography
- Physical Education/Health

In addition to the above core courses, 7th grade students will be scheduled for two electives. One semester students will have Introduction to Vocabulary from Classical Roots (Latin and Greek) and the other semester they will have Introduction to Logic (as rooms and teachers are available).

\*Math placement is based on teacher recommendation.

Students interested in band may sign up for it. Band will take the place of the Intro to Vocabulary from Classical Roots/Logic.

Band \_\_\_\_\_ Instrument \_\_\_\_\_ # years played \_\_\_\_\_

A variety of clubs will be offered as an elective once a month, except for December. In September there will be a club fair where students will have the opportunity to view the club displays and sign up for their top three choices. Because of the content of some clubs, a fee might be charged. Clubs will begin meeting in October.

Earth Science

English

Math\*

Social Studies - American History

Physical Education/Health - Keyboarding

Band or Introduction to Vocabulary/Logic or Foreign Language: Spanish I or French I (circle foreign language choice)

In addition to the above core courses, 8th grade students will be scheduled for two electives. One semester students will have Introduction to Vocabulary from Classical Roots (Latin and Greek) and the other semester they will have Introduction to Logic. \*\*A foreign language (Spanish I or French I) may be selected to replace the above electives. If a foreign language is selected, this will also eliminate the choice of being in band.

\*Math placement is based on teacher recommendation.

Students interested in band may sign up for it; however, it will eliminate the option of the above electives.
